"My experience with Melinda has been nothing less than excellent. I have purchased and sold a total of four properties, and I have used a few realtors. Melinda stands alone in that category. In my opinion, Melinda is extremely knowledgeable in all aspects of real estate, both on the seller and purchasing sides. Whenever I would call, text or email, Melinda always responded in a timely manner, **ALWAYS!!!** Melinda is truly the **BEST** of the **BEST**" **-Leonore, Seller & Buyer**
